## Faiths on Display: Religion, Tourism, and the Chinese State

While the purposes of such travel have changed over time, they remain a part of a larger religio-cultural context, offering avenues for religious encounter, just as pilgrimage in earlier eras permitted the development of various secular dimensions.

## Faiths on Display: Religion, Tourism, and the Chinese State

Drawing on qualitative data collected through participant observation and semi-structural interviews with gastronomic service providers, the study demonstrates how food tourism has become a part of the Singaporean culture that represents cultural identity of the destination but also provides a unique gastronomic experience. The Rites of Passage, reprint 1960. .
