What Is Holi? What to Know About India's Festival of Colors

Market places get abuzz with activity as frenzied shoppers start making preparations for the festival. Yashoda advised him to apply colour on Radha's face and see how her complexion would change.

Holi Festival

The entire country bursts into colors as they celebrate this festival once a year. All of these places become quite touristic during the celebrations.

What Is Holi and How Do You Celebrate?

Hiranyakashipu grew arrogant, thought he was God, and demanded that everyone worship only him.

Holi Hindu Festival

Hiranyakashipu ordered his sister Holika to kill Prahlad and she, possessing the power to walk through fire unharmed, picked up the child and walked into a fire with him.

What Is Holi, the Riotous Hindu Spring Festival of Color?

Play with colours Holi frolic and celebrations begin the morning after the Holika bonfire. The first day often begins with a public bonfire, which commemorates the burning of Holika.

Holi Festival

Info: On the secular side, ColorFunFest 5K races are held around the country too. According to a report by Tribune India, Sikh court records state that 300 mounds of colours were used in 1837 by Ranjit Singh and his officials in Lahore.

Why is Holi Celebrated

Holi is a spring festival to say goodbye to winters. He forbade his son Prahlad from worshipping Vishnu, but Radhu continued to do offer prayers to the god.

Holi 2019: Wishes, Quotes and Messages to Celebrate the Hindu Spring Festival

It lasts for a night and a day, starting on the evening of the Purnima Full Moon day falling in the Vikram Samvat Hindu Calendar month of Phalgun, which falls somewhere between the end of February and the middle of March in the Gregorian calendar. Originally, Holi was an agricultural festival celebrating the arrival of spring.
