Very minimal writing or notations in margins not affecting the text. They live in Pennsylvania and are the absolute cutest. However, I do miss my colleagues tremendously.

Convention Management and Service, Ninth Edition Textbook

They are like the Spanx of the digital world and hide a multitude of things. We will continue to brand Greater Miami as a destination that offers value and great return on investment with increased attendance, both domestic and international, strong satisfaction ratio and overall successful meetings. ASM Global provides a full range of venue management, operations, marketing, and content development services, as well as pre-development, pre-opening, and operations consulting.
