## Major Studies of Drugs and Drug Policy

The United States considers so-called narcoterrorism to be a threat to its national security and believes that Mexico is on the verge of becoming a failed narcostate. Mexican law enforcement personnel are major targets for DEA harassment and investigation. The position was raised to cabinet-level status by in 1993.

105

Leighton Stuart, president of Yenching University Beijing ; and Roger S.

## The political economy of Mexico's drug war

Force him to fight against Japan. For the poor and uninsured, publicly funded treatment is almost nonexistent.

105

. But most incarcerated drug offenders did not commit a violent crime.

## U.S. Drug Policy

Tragically, however, his harsh rhetoric expanded a climate of hostility toward those with drug problems. In pursuit of drug traffickers, soldiers have brutally attacked civilians suspected of aiding the cartels.

## The political economy of Mexico's drug war

Smith New York, NY : Springer Pub.

## **Управление Организации Объединенных Наций по наркотикам и преступности (УНП ООН)**

The Mexican military has a well-documented history of violence against the labor movement, most recently against teachers in Oaxaca, and against indigenous groups like the Zapatistas in Chiapas. Mexico is chided for being an exporter of illegal drugs, a country of rogue narcotraffickers, but the US is the number one importer of drugs from the country. He was given command of the new 4th Raiders, but was invalided in February 1943.
