## Geography

We believe that by studying Geography at the Bay CE School all of our students will be better equipped through the skills and knowledge acquired in lessons to lead fulfilled lives through a better understanding of the world we live in.

## Free Geography Resources For Secondary Schools

Hopwood takes us into the minds of students - a special place seldom visited by educational researchers. Outcomes: UO1 demonstrates a detailed knowledge of the philosophy, structure, content and inquiry based methodologies of the current NSW Years 7-10 Geography syllabus and the draft K-10 Geography syllabus incorporating Australian Curriculum content UO7 demonstrates the ability to critically reflect on and improve teaching practice UO8 prepares for and contributes to discussions about geographical education UO9 Recognises the range of policies and policy documents that teachers in NSW may need to comply with in schools Task: Each fortnight, students will post a reflective blog of up to 300 words. He follows six pupils through their geography lessons for a period of three months, discussing their learning experiences in depth with them.

## ERIC

Assignments must be submitted by 4pm on the due date. Macquarie University has taken all reasonable measures to ensure the information in this publication is accurate and up-to-date.

## Geography

The chapters that follow are fascinating, full of the insights gained from a detailed focus on individuals rather than on class groups. Conclusions References Index A brilliant concept.
