### Memoir Books

In the Dream House is a dizzying, raw, and deeply personal story and with her experimental structure, she is casting lines out, trying to find and helping others find the structure that holds.

### 25 Best Memoirs of All Time

Faced with the prognosis of terminal cancer at the age of thirty-six, Paul Kalanithi wrote an unforgettable memoir that tackles an impossible question: what makes life worth living? It might be time for you to write a memoir. Yet the gap over which Aidt strings her lines is terrifying. From her upbringing on Chicago's South Side to her triumphs and disappointments in the White House, *Becoming* offers a deeply personal look at Obama's life.

Types of Memoir There is no finite number of memoir sub-categories, just as there are no finite types of experiences we have as thinking, feeling human beings. These things are connected, is what Nora Krug seems to be saying. But the story of his own life was just as compelling.

### **25 Best Memoirs of All Time**

To outsiders, James seemed happy, even marrying a woman and having two children, making it all the more challenging for James to come to terms with the realization he was born transgendered.
