Demonology: List of Demons, Devils, Monsters & Evil Spirits

The saint Abba Jose of Zaintor saved his town from harm, when informed by a water-demon living near by that a harmful fellow demon made his dwelling there, by causing the inhabitants to go down to the water's edge at dawn, equipped with iron rods and spits, and beat the intruder to death; blood marked the spot where he was killed Lev.

Demons (Dostoevsky novel)

May be one of the demons that causes disasters. Julia Mikhaylovna and her retinue, among whom are Varvara Petrovna and Liza, return from a visit to Skvoreshniki and the Governor is further humiliated by a public snubbing from his wife.

Demoness

Their shadow sculpting powers only worked within the Lower Planes and could not be used fast or effectively enough to be usable for combat purposes, Most villages contained small, hidden portals to other planes. Stavrogin replies that it might be possible to say yes to him if only he were not such a buffoon, and tells him to come back tomorrow. He points to their own undeniable involvement and tells them that Shatov is also determined to denounce them.

DEMONOLOGY

And the Princes of Hell, like the Knights of Hell, were long thought dead, and lost their interest in hell and their belief in Lucifer. In the chapter 'Night' he engages in a heated discussion with Stavrogin about God, Russia and morality. Oxford University Press: 2000, p.

Demonic

The novel begins with the narrator's affectionate but ironic description of Stepan Trofimovich's character and early career. Fortunately, their weakness laid in their predictable aversion to light, as without darkness to hide in, their true forms were exposed and vulnerable.

DEMONOLOGY

In fact, demons themselves know that Jesus is more powerful than them and that their days are numbered. New York: Vintage Classics, 1995.

Demonic

For over an hour the great writer plods through an aimless stream of self-absorbed fantasy, sending the audience into a state of complete stupefaction. They inspire fear in their subordinates as all other demons seem to be terrified of them.
