Financial Reports Help Page

Reports are created from the Institution Profile page, under the subheading Financial Data, if financial data are available for an institution.

The Importance of Legal Departments in Companies and Establishments

We also reference original research from other reputable publishers where appropriate. In response to commenter requests for clarification, the Federal Reserve specifies in the Final Rule that this presumption will not apply where an unaffiliated individual or company will control 50% or more of each class of voting securities of the second company after divestiture by the first company.

Catalog Record: The holding company, its public significance...

If a small company creates a holding company structure to reap some of the benefits, they may find this structure to be needlessly expensive. Apple has several subsidiaries all across the world.
