A Guide to Hiking the Bitterroot Mountains

This trail is poorly defined and hard to follow at times. The included ranges are north to south The Bitterroot Mountains, The Beaverhead Mountains, and the Centennial Mountains.

Hikes and Climbs to Bitterroot Mountain Summits : Gear Reviews : ne-x.uni.rf.gd Outdoor Gear

At about 5 miles, trail 300 intersects trail 44 and then continues on another mile to Burnt Fork Lake, which is also an outstanding fishery. Bear Creek offers good fishing and beautiful scenery.

Bitterroot Mountains in Montana

There is a lot of information out there about the great outdoors but not all of it is useful. Wildflowers were at their peak in Bass Canyon.

Best Hikes in Bitterroot National Forest (MT)

Baker Lake Trail The Baker Lake trail is rough and climbs steeply in many areas, although it's well defined and easy to follow.
