Nature Vegetarian Delights ISLANDWIDE DELIVERY!

What to buy: The ingredients for jai can be found in large Asian grocery stores such as. Sounds and taste like heaven. Sure, you can go for dressing-free iceberg salads or sandwiches made with just raw veggies and vinegar, but, girl, you deserve better.

See if you can add plain Beyond Meatballs to your veggie-filled sammie.

Buddha's Delight (Jai) Recipe

Peanut buttery, textured sesame noodles with bright pops of vegetables can be on your table in 20 minutes flat. Add enough water to just cover the ingredients and bring to a boil over medium-high heat.

Bring to a boil over medium-high heat.

Delight Fuel

These small, 2-inch balls are often found next to the regular tofu in the refrigerated section of Asian markets. Another struggle of eating vegan at places like Subway: creating a balanced meal that contains carbs including fiber, fat, and protein. We opted for the sushi buffet, and the options seemed endless! Add maple mixture to oat mixture and stir to combine completely.

Delight Fuel

I came across a recipe on allrecipes. Season with a large pinch of salt and a small pinch of sugar and, using a metal spatula, stir-fry until the mushrooms are fragrant and begin to soften, about 2 minutes.

Buddha's Delight (Jai) Recipe

Look online and find the meanings each ingredient represents! That might have been a mistake because I think having more vegetables in the salad would have given it more flavor. You can also adapt it for vegan eating. Place oats in a medium saucepan and toast over medium-high heat, stirring frequently, until oats are slightly golden and fragrant, about 3 minutes.
