### Maggie and the Inconvenient Corpse by Barbara Cool Lee

The premise was good but the quirky characters came off a just plain odd. Maggy is very much modeled on the kind of protagonists we find in Eberhart's novels of women in peril, drawn to a man suspected of murder and eager to clear his name.

### Pretty Sinister Books: FFB: The Inconvenient Corpse

I wouldn't recommend the patio option - we've just had a new one put down and every time there's a murder down our road, the Police are straight round to dig it up, and they never seem to get the pointing quite right when they put it back again. I found the beginning frustrating for some reason, possibly because I was just getting to know the characters. Maggy no longer feels like a fifth wheel as Anna Rose lives up to all the cliches of a flashy showgirl attracting the attention of all the men in the group.

You will not receive physical versions of anything you select for Get It Now! I sat down, sipped my morning coffee, and waited. This book coaxed me—held my hand and my attention—all the way through.

### An Inconvenient Corpse

This all adds romantic and sexual entanglements in a tale that will eventually be about sex and jealousy. To choose this option, place your PRODUCTION ORDER normally, including the total number of scripts you need for your production.

### An Inconvenient Corpse

Then her husband runs off with his mistress, and takes all the money from the bank account and closes her credit cards. Some humour was a nice addition to the story.
