Now they are more than friends. Although the predominant subject is about ships, there is a section about salvage, again with some interesting diving photographs, one of divers working on a gaping hole in the Olympic sister ship of the Titanic after a collision with HMS Hawke and the other of a diver just climbing back into a diving boat. In this wonderful tale for children of all ages, Cat takes a trip down under and introduces us to the wonderful sea creatures in the Sunny Zone, the Twilight Zone, the Dark Zone, and the deep Abyss.
