**Dead Man Running by Steve
Hamilton, Paperback**

Fast forward and victors friend Julian is being framed for a double murder. The book began with a interesting scene. Turns out Livermore will only talk if the FBI brings in a retired cop who lives in northern Michigan, Alex McKnight.

Dead Man Running by Steve Hamilton, Paperback

McKnight is a little more competent in this book than usual, but that's not saying a whole lot. A serial killer lets the FBI catch him. He was black, with a smooth head he shaved every morning and a thin mustache. Not only that but the rave organisers just happen to know a couple of Manchester gangsters who want to arrange a hit that morning.

Dead Man Running (Alex McKnight, #11) by Steve Hamilton

I'm not sure what this was but it didn't seem like an Alex McKnight book to me.

Dead Man Running (Agent Six of Hearts, #4) by Jack Heath

The very people Martin risked his life for on a daily basis turned their backs on him during this time of need.

Dead Man Running (Alex McKnight, #11) by Steve Hamilton

The FBI quickly realizes the pattern of a serial killer and stake out the house for his return. The only downside to this one is that it didn't take place in or near Paradise, MI, so we didn't get to spend time with the series supporting cast like Vinnie, or Leon. Improbably and implausible it still was fun reading.

Dead Man Running

How do you catch a criminal mastermind who has targeted you, who taunts you with his crimes, and knows your every step before you take it? I enjoyed it very much. It was entertaining, and it kept my interest, but it wasn't very believable.
