The Pain and Beauty of Growing Old and Aging Gracefully

She finds that we associate aging with dysfunction. When the wires are all down and our heart is covered with the snow of pessimism and the ice of cynicism, then, and only then, are you grown old. She is a founding member of the Boston Women's Health Book Collective and has lectured on a variety of women's health issues.

Getting Over Getting Older

Sure, as women age we lose our fertile abilities, but in a society that supposedly values women as integral members, getting older should not be such a big deal. TV commercials and certain actresses to the contrary, everybody gets old.

How Can We Disrupt Personal And Societal Ageism Toward 'Wonderful Old Women'?

Now 72 years old, this star is shining brighter than ever before — and we think her positive outlook on getting older has a lot to do with that. I was grossly underslept and unsure of who I was, and the general effect of her near-mystical perfection in thinking was like enforced meditation. But psychologists also speculate that we acquire a more balanced perspective through hard-earned experience.
