STONEY POINT :: SuperTopo Rock Climbing Discussion Topic

Usually, it's — which there is plenty of in the Valley.

Stoney Point

While Stoney Point is predominantly used by rock climbers, the park is often utilized by many other types of visitors. Climbing Walls near Lake Tahoe and Yosemite South Lake Tahoe's Blue Granite Climbing Gym offers ample wall space and classes for climbers to hone their skills, plus an on-site coffee shop that provides the perfect fuel.

Post

When you visit, make sure you are respectful of the houses bordering this spot; since the boulders occupy a prime location by the , some potential climbing routes are right next to homes.

Stoney Point

While sea lions make regular appearances, film crews are also known to show up on the scene fairly frequently. Some people have taken advantage of the easiness of the rock to chip, and have created their own chips by breaking off pieces. Follow her on Twitter publiclyloved.

Post

This Ceremony took place in hopes to maintain the demand for the services as well as skills of the craftsmen of the village. General Climbing and Bouldering: - Uh.
