Il est hanté par la libération d? The story centres around four illiterate soldiers of the Red Army, Pavel, Sifra, Kyabine and the narrator, Benia. Instead we have a too? Powerful and haunting, it takes place in 1919 during the Russian Civil War where four ordinary soldiers find themselves living together as the army sits out the winter in a forest on the Romanian front.

Quatre soldats

These are melted down into a single, rifled, bullet. Il est lauréat du en pour son roman. Bénia et Pavel ont décidé de rester ensemble.

Hubert Mingarelli

Interesting little book that brutally describes the tedium of war, where little things, like a watch containing the picture of an unknown woman, make all the difference in the world. Der Roman spielt im Jahr 1919, inmitten des , und handelt von vier Soldaten der. The story takes place during the Russian Civil War in 1919.

Quatre soldats — Wikipédia

Ils sont rassurés, ont confiance. Previously unknown to each other, four young soldiers become close as they wait for a lull in the fighting, carrying out mundane tasks, building shelters, preparing food, smoking, finding comfort in simple tasks. And that each of us was also far away from the war that was going to start up again because the winter was over.
