An Immersion into the Vijñāna Bhairava

Numerical Discourses of the Buddha: An anthology of Suttas from the Aṅguttara Nikāya. The first and obvious requirement is the ability to carefully and accurately translate the Sanskrit of the text. In other words, the yogī is cryptically instructed to meditate on the point above the crown of the head before allowing the in-breath to commence.

But this generation of Śhakti, traditionally believed to be accessible only through a formal yoga practice, can come in any intense situation, as long as concentrate on the source of the intensity within us that occurs, while simultaneously performing retention of the breath. Maha-nidana Sutta: The Great Causes Discourse 15.

Vijñāna

When there is a basis there is a support for the establishing of consciousness. The Buddha said that vijñana is necessary for tanha, which is the craving for sensual pleasure, for existence and for non-existence. A Comprehensive Manual of Abhidhamma: The Abhidhammattha Sangaha of Ācariya Anuruddha.
