High Achievers

The ship never opened as a museum, although guided tours were offered by appointment in 2003 and 2004. As a Canadian, I am proud and sad to learn through Stuart E. The steam produced by these boilers was directed at two geared which powered two shafts, providing 22,000 30,000 to drive the ship at a maximum speed of 28.

Hands to flying stations (edition)

Like many other Canadians serving with the Royal Navy, the Canadian identity and individual achievements of these men were often not recognized or identified at home in Canada.
