The Eucharist makes the Church

However, Forward in Faith accepts the ordination of women as deacons, and it would be impossible therefore for this group to transfer to the Catholic Church.

Vatican upholds bishop over reception of Communion on tongue

This, however, did not end the matter. They collected them and arranged them on the wall, like butterflies. Reception presupposes effective communication, mutual listening and sustained dialogue.

In the course of its work the Dialogue Commission has been led to set its text on the church within the horizon of a possible ecclesial communion.
