Philosophy and Law: Contributions to the Understanding of Maimonides and

His Predecessors by Leo Strauss, Paperback

Strauss's key contention in this book is that the most influential modern approaches to this conflict have run aground in ways that reflect their loss of key insights developed by the medieval philosophers of Islam and their Jewish pupils, especially Maimonides. Strauss challenges the modern view that scientific enlightenment must ultimately amount to atheism, and that therefore there can be no such thing as enlightened religion. This is a fresh and challenging treatment of the perennial conflict between reason and revelation, or philosophy and religion. In his early years studying in Germany he acquainted himself with seminal German thinkers of the 20th century such as Martin Heidegger, Edmund Husserl and Ernst Cassirer.

THE PHILOSOPHY OF RELIGION OR THE PHILOSOPHY OF LAW? on JSTOR

Leo Strauss was a German-American philosopher and philologist of ancient Greek text. Through a careful, original, and detailed treatment of central works of the medieval Islamic-Jewish tradition, especially Maimonides' Guide of the Perplexed, Strauss aims to recover their key insights into this question. Adler's translation is excellent, and the binding hasn't fallen apart despite a year's worth of abuse.
