Sachs decided to produce Die religiöse Poesie der Juden in Spanien 1845, a volume of medieval religious poetry in translation, he settled on Spain because of the widely held view, going back to Shlomoh Yehudah Rappoport, that Sephardic poets addressed God as lonely believers, whereas Ashkenazic poets only lamented the fate of the nation.

Umweltkatastrophen ~ ecological calamities

This would include allowing municipalities and other local Palestinian and Arab authorities to control the natural resources for which they had had responsibility prior to the occupation. By way of example, he declared his intention to bring out a scholarly edition with Latin translation of a Hebrew philosophical treatise by Shem Tov ibn Falaquera, a thirteenth-century Spanish Jew.

We know now very little more, except that by peripheral irritation of the vagus we can nraKRTATTON OP THE GLANDS. These ideas have been also expressed by Heidenhain, but he has not named perhaps the most important difficulty, that of physically explaining the periodical secretion of hydrochloric acid, although in all other glands which secrete periodically, that is, through a special nerve stimulus, a specific secretion, we conclude that this is formed by the specific activity of the secreting cells, whilst the common source, the constituents of the blood serum, exhibit

a very changing composition. But at any rate, there is a difference between the process of secretion set up by circumscribed chemical, thermal, or mechanical stimuli of the mucous membrane, and that caused by ordinary ingesta or absorbable substances of another kind peptone, albumoses.
