### Husmerae

Limita amb els comtats de , , , , i. In time, the descriptions became longer, more detailed and written in Old English.

### Warwickshire Anglo

It was specifically referred to as the province south of the heartlands and was considered an extensive folk territory. Frankley va quedar més endavant dividida en dos: New Frankley i l'àrea propera a l'embassament de Bartley, aquesta segona va quedar transferida al districte de Bromsgrove Birmingham l'abril del 1995; però l'altra part de Frankley va romandre dins de Worcestershire. Malvern va ser una de les ciutats balneari que al segle XIX van prosperar, per la creença que les seves aigües eren molt pures.

### Warwickshire Anglo

Va ser un comtat governat per un senyor per un temps breu abans que al segle X esdevingués part del comte de Mèrcia. Dr DELLA HOOKE is a fellow of the Institute for Advanced Research in the Humanities at the University of Birmingham. En l'escut heràldic de la ciutat de Worcester hi ha tres negres que representen una rara varietat local.

### Warwickshire Anglo

Regional variation within the county becomes apparent, ranging from the pastoral and well-wooded Arden to the more heavily cultivated Feldon; Old English terminology can be related to identifiable features; and territorial organisation can be better understood when estates and their boundaries are accurately located, and light is cast upon the way that land ownership and estate organisation evolved within an older territorial regional framework. Al sud del comtat està i la part nord dels ; a l'est està.

### Warwickshire Anglo

The surviving documents are very unevenly distributed both in time and space: from the 9th century, for example, only 9 wills are known, and 6 of them are in Canterbury.

In some instances, space has been left for a boundary clause that was never copied. It is also possible to trace a man's career at court through his position in the witness list, as in the case of at the court of in the early 11th century. Això va quedar definitivament resolt mitjançant la llei del 1844.

Some surviving charters are later copies, which sometimes include. Edmund Rich circa 1300 , in The Early South-English Legendary 1887 , edited by Carl Horstmann. El Consell del Comtat de Worcestershire es va reformar, tot i que alguns serveis es van mantenir compartits amb el nou consell de Herefordshire, com ara la gestió de residus i el servei de protecció a menors.

## **Warwickshire Anglo**

Dr DELLA HOOKE is a fellow of the Institute for Advanced Research in the Humanities at the University of Birmingham. Amb les reformes administratives de la dècada del 1990 al Regne Unit, el comtat de Hereford i Worcester va quedar abolit i Worcestershire va recuperar la frontera que històricament havia tingut amb Herefordshire. DELLA HOOKE is Research Fellow in the School of Geography, University of Birmingham.
