Russia is crippled in its defeat.

RUSSIA MODERN ARCHITECTURES IN HISTORY

Mongol Invasions 862: The first major East Slavic state, Kievan Rus, is founded and led by the Viking although some historians dispute this account. During the construction of churches and castles the ridges were improved, taking the form of bulbs, the crown of which was a cross, pole or other wooden decorations. Into the 1960s, the Pyatietazhki or Khrushyovki dominated the style of housing construction.

Russia 1900: ART AND CULTURE IN THE EMPIRE OF THE LAST TSAR

The few remaining examples of traditional wooden architecture, such as those on display in the outdoor architectural museum in Kostroma, are now among Russia's most treasured architectural monuments.
