The Venus Library

Original edition The Cane and I, Paddle Books, PB-112, 1971. Erotic flagellation makes some minor appearance on the story. The second novel in the series.

Diary of a Nymphomaniac (2008)

The book is in two parts, the first setting the scene and the second describing her abduction. Apparently, the first printed version of a pornographic work written in the United States in the 1930s or 40s that was originally circulated in manuscript. One of a series of pseudo-sociological studies with invented case-histories by Paul little under this pseudonym

The first, and most well-known, is An Experimental Lecture on Flagellation with a sub-title Descriptive of the Exciting and Voluptuous Pleasures to be Derived from Crushing and Humiliating the Spirit of a Beautiful and Modest Girl delivered in the Assembly Room of the Society, Mayfair. The tale concerns Janet Westwood, a librarian with masochistic tendencies, and her orphaned niece Rosemary, who are abducted, whipped and violated by a gang of unsavoury characters. It is likely that the translation is by Little — it reads like his other translations and we know he was very literate in both French and German and he was by far the most prolific contributor to that imprint.

The Venus Library

Ebook by Locus Elm Press. Part history of sex toys and devices, and vivid personal accounts of their use.

Groping Porn Video

A novel of the masochistic devotion of the hero, George, to the women who dominate his life. This is quite a short novel concerning the accidental abduction of Edith Calhoun by her rich cousin who subjects her to forced sex and the discipline which Edith craves. A flagellation novel with Edith an ultimately willing victim.
