## Countries, Nationalities, and Languages in French

However, everyone from Northern Ireland has the right to Irish nationality and can hold an Irish passport.

## Countries, Nationalities, Languages and Flags

The short form of British, Brit, is often used as a noun or less commonly as an adjective in journalistic style and in informal situations to refer to British people: The Brits have a bad reputation in some countries.

## PAYS & ADJECTIFS DE NATIONALITÉ (countries & adjectives of nationality)

How are the countries pronounced? When distinction from is necessary, the colloquial Southern Irish or Southerner is sometimes used; some people in the Republic of Ireland may find this offensive, though others in Northern Ireland may find it equally offensive in not distinguishing the Republic of Ireland from the island.

## Countries, Nationalities and Languages in English

Author: Publisher: New York : United Nations, 1985. Notes: At head of title: Department of Conference Services, Translation Division, Documentation, Reference, and Terminology Section.

## Countries, nationalities and adjectives

Arabian Nights is a famous film; the Arabian Sea. Languages and Nationalities Les Langues et Les Nationalités It would be a very long list if we were to include every country in the world, so only a small selection is included in this lesson.

### **Nationalities, languages, countries and regions**

Language: I speak German very well. The plural forms are usually -os and -as respectively. Knowing what gender a country or a place is not easy, and not consistent.

### **Nationality/countries/Adjectives Les adjectifs de nationalités et le verbe ÊTRE. Feminine masculine**

Except in cases such as Spain, in which sub-names have been used interchangeably by others, sub-names belonging to some areas in a country are not listed here. Irish also refers to citizens of the Irish Republic.

### **Countries, Nationalities, Languages and Flags**

Scotch broth broth is a kind of soup. This lesson is originally aimed at a year 7 group on the topic of nationalities but could be suited to different year groups. We use Arabian in a few fixed expressions and place names e.
