## Leicestershire's Adult Learning Strategy

Improvements had been made to seclusion areas at The Willows Acacia and Maple wards.

## End of Life

However: There was variability in sharing of lessons learnt across the acute wards and PICU units. The trust had recruited two registered general nurses with dedicated time to focus on individual healthcare plans at Stewart House and The Willows. Staff said this made them feel safe whilst visiting patients at home or whilst undertaking activities with patients in the community.

## Leicestershire Partnership NHS Trust

Clinical audit was taking place and learning was shared across the service.

## Care and support assessment

Staff told us patients were concealing lighters and cigarettes and bringing them onto wards.

## Leicestershire Partnership NHS Trust

One review was in response for the delivery of actions for the 2018 CQC inspection. A further review was an examination of processes and procedures within the trust for reporting investigations and learning from serious incidents requiring investigation.

## End of Life

Patients could then purchase vapes on the ward. The trust revised the statement of purpose for emergency requests for Short Breaks Services.

## Leicestershire's Adult Learning Strategy

Some providers also deliver specialist services such as prison health care and dentistry.

### **Leicestershire County Care**

Staff interacted with patients in a caring and respectful manner.
