Europe's Last Red Terrorists: The Revolutionary Organization 17 November

Yet no one suspected of belonging to the organization, let alone of being involved in its terror campaign, has ever been arrested. Combining fanatical nationalism, contempt for the existing order, and the cult of violence for its own sake, 17 November has stubbornly refused to accept that its eclectic belief system is incompatible with modern democratic principles. This book was extremely well written and meticulously cited.

In May 2000 they assassinated a top British diplomat in Athens in a daring daylight attack. As such, 17 November's terror campaign has been an audacious protest aimed at discrediting and humiliating the Greek establishment and the US government, but one that has never sought to develop widespread revolutionary guerrilla warfare. There is still a shortage of English-language, at least writing on the inner-workings of 17N, which we should now be able to understand with its leadership finally having been imprisoned.

Europe's Last Red Terrorists: The Revolutionary Organization 17 November: Kassimeris, George: 9780814747568: ne-x.uni.rf.gd: Books
