## McKinsey Institute for Black Economic Mobility

We need to exploit the benefits of markets while taming their excesses, making sure that markets work for people and not the other way around.

## The Red Summer: Summer of Racial Discontent

African-Americans graduate high school at a mere and do so at the lowest rate of all four major racial groups in America in all but 11 states where they slightly exceed Latinos.

## The Red Summer: Summer of Racial Discontent

Stiglitz explains in People, Power and Profits, a few corporations have come to dominate entire sectors, contributing to skyrocketing inequality and slow growth.

## Race and Twentieth

But for African-Americans across the spectrum—evidenced in part not just by the sermonizing of black conservatives but by the entrepreneurial mythologizing of Hip-Hop icons like Jay-Z, P Diddy, and West himself—there is a lament that a rampant and shortsighted materialism for which Hip-Hop is also a vehicle has displaced a focus on economic independence and a culture of self-sufficiency. Who will tell you that if you want to get a job you have to stay in school and spend more money on education than on disposable consumer goods? Â Â Economic Mobility Â Â by Raj Chetty and coauthors has illuminated the differing potential for intergenerational mobility that exists across the United States.

However, rethinking capitalism, or , means that capitalism and socialism will need to merge to create a productive and inclusive economic and

social model.

## **Race and Twentieth**

The Red Summer was one of the first times that Black citizens armed themselves and fought back against white supremacist terrorism. Board of Education decision and the fortieth anniversary of the Watts Riot in Los Angeles.

## **The Spectrum of Black Contrarianism**

Home Ownership, Housing Values, and Riots A series of co-authored papers explores the economic history of race, residential segregation, home ownership, and housing values. In addition, they are organizing at the neighborhood level, rather than the shop floor, and appealing to 'citizenship', rather than labor rights. In fairness to the record of the Democratic Party in this area however, it should be noted that while poverty rates and unemployment remain starkly higher for blacks than for white and Asians in particular, actual material quality of life has risen dramatically since the 1960s.

## **Racial Economic Inequality**

Police did not arrest the man responsible for the murder, gunshots were fired, and news of the events spread through Chicago.
