Thoreau and the Sociological Imagination: The Wilds of Society 9780742560598

New: A new, unread, unused book in perfect condition with no missing or damaged pages. By exploring Thoreau's intellectual links to early social thinkers, as well as addressing mainstay Thoreauvian concerns such as the individual-society relationship, social change, and deconstructing society's idea of progress. Wright Mills and Peter Berger by his side, Bingham argues for a reconstruction of the socio-theoretical canon so as to include the posture and insights of the great humanist Henry David Thoreau.
