Family Structure and Protestant

Church Attendance: The Sociological Basis of Cohort and Age Effects on JSTOR

On average, Mormon adults of all ages reported they lived with 1.

Mormon families are America's largest, new study finds

Some have asked the U. The study's major overall takeaway is that the Christian share of the U.

Religion, Family, and the General Social Survey

.

Religious Habits of U.S. Teens

The latent potential for enhancing ministry through technological means is significant. Catholics told Pew they will go to church as often as they did before the pandemic. Considering that the vast majority of churches in the United States are small, the overall compensation package for Protestant pastors is low when compared with teachers and social workers.

Half of U.S. pastors say they've heard conspiracy theories in their churches

The New Dissenters and also the Anglican evangelicals stressed personal morality issues, including sexuality, temperance, family values, and Sabbath-keeping.

Survey: Nearly half of Protestant pastors in the U.S. say church members are sharing conspiracy theories

Overall, 70% of Protestants with a mental illness wanted fellow church members to merely get to know them as a friend. These are easily correctable situations. Nearly every pastor 99% and churchgoer 97% says someone with a disability would feel welcomed and included at their church.

Who Is Responsible for Children's Faith Formation?

The growing denominations in 2011 were the Church of Jesus Christ of Latter-day Saints, the Assemblies of God and several other Pentecostal groups; each reported a 2 percent growth.
