## Horsemeat food scandal inquiry's 'slow pace' criticised by select committee

Freeza Meats also said it had no links to ABP.

## Food Standards Committee report on meat products. (1980 edition)

This must be changed, the report says.

## Food Safety and Standards Rule

The project team would also like to thank the network of sample collectors and all retailers and producers for their co-operation with the survey. Unless the food packaging says otherwise, it should be thoroughly cooked. It was not initially clear which agency should have led investigations when the scandal emerged.

## Food Standards Committee report on meat products. (1980 edition)

Follow all cooking instructions on the food packaging and wash your hands immediately after handling raw mince.

## Food Safety and Standards Rule

. Asked what assurance he could give the committee that ABP's paper trail was more reliable than that of the previous company Goodman was involved in, Finnerty replied that the events raised were 25 years ago, many of the allegations made back then were not true and the old inquiry bore no relevance to the current inquiry into horsemeat.
