This volume also gives you guidelines for writing in the AP style, which is a set of punctual and flow guidelines used by almost every serious journalistic company in the nation.

September 2015 — 55th Annual Meeting edition

The AP Stylebook is widely used as a writing and editing reference in newsrooms, classrooms and corporate offices worldwide. If you have not already made arrangements to attend, I encourage you to do so as the program and line-up of impressive speakers will make this ABM an important and essential event for building officials. One more piece of advice? No obvious damage to the cover, with the dust jacket if applicable included for hard covers.

New York International Antiquarian Book Fair

They just slap a few arbitrary and largely useless changes in and call it a new edition because they know teachers will list it as a required text for classes, meaning students will have to purchase multiple versions of this blasted book throughout their college career if they want to pass classes.

Very Good: A book that does not look new and has been read but is in excellent condition. The Antiquarian Book Fair is located at 643 Park Avenue between 66th and 67th Streets.
