### The Protestant ethic and the spirit of capitalism : Weber, Max, 1864

What this discussion has revealed, however, is that the media and government agencies believe there is a single protagonist to be concerned with—something of a James Bond villain, if you will—when in fact the protagonist is something altogether different: an informal network of revolutionary individuals bound by a shared ethic and culture.

### WikiLeaks and Hacktivist Culture

I think it has to do with craftsmanship and caring about what you're doing. The fifth and last one, Soli Deo gloria, preaches glory to God alone, and denies that saints of the Roman Catholic Church, including popes, are worthy of the glory assigned to them.

### Hacker Ethic

It is not possible to simply run an experiment or do a statistical study; this might show correlations, but it will not tell a causal story. Theoretical arguments are more speculative; their purpose is to give meaning to empirical observations. Thus Africa, or even Argentina, can be 'discarded'.

### Download The Hacker Ethic

One mention of BSD appears in a citation of Eric S. At Geneva, where Calvinism was the creed of a small and homogeneous city, the second aspect had predominated; in the many-sided life of England, where there were numerous conflicting interests to balance it, and where it was long politically weak, the first.

### The Protestant Ethic and the Spirit of Capitalism

Looking at the hacker ethic in this way, it becomes a name for a general passionate relationship to work that is developing in our information age.
