KNOWING OURSELVES: What does the body want to tell us with diseases?: ARTERIES, Emotional and Spiritual meaning:

Suicidal thoughts: See life only in black and white. Allowing others to get under your skin. DEPRESSED SAINTS Lurking beneath the stigma that many Christians with mental and emotional problems face is a simple question: Can a Spirit-filled Christian have emotional problems? Cholesterol: Clogging the channels of joy.

Spiritual Causes of Diseases

Then everything that brings you happiness is drawn to you.

Handbook of Spirituality, Religion, and Mental Health

You can only seem powerful from relating to other people and doing things with other people; power is derived from the perception of other people, not by being alone except in psychosis.

Handbook of Spirituality, Religion, and Mental Health

The mad man avoids people to live alone and in aloneness feels powerful, which is no power. Affirmation: I am totally safe in the Universe. Terror leading to escape from a situation or person.

Handbook of Spirituality, Religion, and Mental Health

Please read it if you like, and ask me any questions that you may have.
