Holiness and Mary : University of Dayton, Ohio

Her childhood was marked by secret visits from priests—often Jesuits—who had been quickly ordained overseas, smuggled into the country, and secretly passed from house to house to celebrate their forbidden Masses.

Lady Mary Ward

She has an additional degree in psychology with a specialization in diversity management and certification in polarity therapy.

The Values

Consent for all imagery of children and young people used on this site has been received. Martina Moore has been providing professional trainings and development services to others for over 20 years.

Mary Assists Our Rise in Holiness

Since then he has continued to develop the map, principles with a variety of organizations all over the world.

Mary, a model of holiness

A more balanced and mutually respectful and responsible relationship between the genders ultimately benefits men as much as women.

WordPress For Web Design

This was our first journey.
