### Conservation Management, Enhancement and Utilization of Plant Genetic Resources

As our forests become cleared away, the climate grows more harsh, dry, and absorbent of vital life,. Moreover, the existence of such intermediate forms renders possible the application of that most valuable of all horticultural aids— hybridisation.

### Gardening with the RHS Podcast Republic

Published in collaboration with the Royal Horticultural Society, reproduced in full colour throughout, carefully edited and beautifully produced, this new edition remains a key text for students of horticulture and will also appeal to amateur and professional gardeners wishing to know more about the fascinating science behind the plants and practices that are the everyday currency of gardening. I suppose you are aware that many of our Eastern nurserymen, and some of our own State, have been crying out against our favorite Lancaster County Smokehouse Apple, or, as it is called by some, Miller. Barry being called upon to state some of the best varieties, recommended the C.
