### American Accordionists' Association

The University of Texas at Austin is the designated repository for the records of the League of United Latin American Citizens. Patti Evans, PT, MA, now CEO of APTA's California Chapter, recalls an instance when she was APTA's assistant director of education. After one year of operation, the infant association was off to a good start.

### I Cry for the Mountains and the Legacy Lost

Cattle, like the wildlife, follow the season in this wildland we love.

### History

Our segmented view of the landscape has led us to tragedy after tragedy.

### History of American Legion Baseball

Of course, there are many exceptions and you know who you are.

### The Mysterious History of Cattle Mutilation

The committee proceeded to adopt the motto proposed by J. Similar cases involving sheep, cows or horses have been reported as far back as the early 17th century and as recently as 2019.

### PBS

President Lyndon Johnson signs Medicare and Medicaid into law.

## **I Cry for the Mountains and the Legacy Lost**

The fort's capture assured United States claims to the frontier, an area nearly as large as the original 13 states.
