**The Folly, Sin, and Danger of Marrying Widows, and Old Women in General, Demonstrated; And Earnestly Address'd to the Batchelors of Great Britain. by a True Penitent. by True Penitent (Paperback, 2010) for sale online**

Such terror is a great motivation to repent and find a way to be reconciled with God. One of the great contributors to the moral decline of our nation has been parents yielding the training of their children to educational institutions, media, peers and clubs. In Proverbs 1:20-33, wisdom actively seeks out and shouts to warn the naive, scoffers and those at the first level of foolishness to turn aside and learn from her, but few listen.

The foolish female lives in the present as she desires with her hope in her own abilities to manipulate circumstances to her favor. On the negative side, bad company corrupts good morals 1 Cor. Everything I have said so far also applies to those who are mothers, but there are additional responsibilities that you have that will reveal your level of either wisdom or foolishness.

The fear of the Lord is something you choose, and those that do not do so are those who hate knowledge and refuse wisdom 1:24, 29. Because of these various traits, they proclaim folly to others 12:23 and display it in how they live 13:16, so they will suffer harm 13:20. But excerpts and quotes may be used, provided that full and clear credit is given, with appropriate and specific direction to the original content.

Admittedly the God given role for the wife is now attacked in our society and I am considered by some to be a horrible male chauvinist for even saying it, but that only reveals how much the evil influence of feminism, which is not feminine, has penetrated our nation. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work.
