## Dugdale's Curiosities of Great Britain England & Wales Delineated 2 vols set

We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves. Either the British army had to be sent in to evict him or the French had to be allowed to cross the frontier to accomplish the task. Hope you will like it and give your comments and suggestions.

## Mandate for Palestine

The Mandate is published and can now not be altered with one exception, which I will now explain.

## Delineate

The Hashemite delegation to the Paris Peace Conference, led by Hussein's third son , had been invited by the British to represent the Arabs at the conference; they had wanted Palestine to be part of the proposed Arab state, and later modified this request to an Arab state under a British mandate. NO changes have been made to the original text. We found this book important for the readers who want to know more about our old treasure so we brought it back to the shelves.
