SABIC

One ongoing project is the Jubail-Qassim Buraidah Expressway 500 km 310 mi, which will reduce the distance between Jubail and Qassim Buraidah to around 331 km 206 mi from the current 831 km 516 mi.

Online Services

It is directly opposite Dareen beach across the bay.

Jubail Water and Power Company (JWAP)

Grassy Areas for Families to Enjoy There are grassy sitting areas with lots of children playgrounds where families gather for picnics and relaxation particularly at the weekends. The busiest area is opposite Fanateer shopping area, near the Galleria Mall and along the beach about. Jubail- the city, is quite small. We have given the postal codes of 47 major districts of Mecca below.

Jubail

The streets are full of beautiful palm trees and ornamental varieties. You can choose between interior and window offices and we also offer several suites - small office with meeting rooms attached.

Jubail and Yanbu

A number of air monitoring stations seven fixed and two mobile in Jubail and five fixed and one mobile in Yanbu have been installed at various strategic sites in both cities. There are lots of places here that are worth visiting: These places include parks, zoos, museums and much more. The roads were wide and clean, trees and flowers on either side and the traffic signals were so intelligent! The city was once known for its pearls, as it lies near the sea, the sea water would deposit pearls at the shore.
