## Tales of Moonlight and Rain

Manago tells him that she lost her husband and is alone now, then she proposes marriage to him.

## Review “Ugetsu Monogatari” (Tales of Moonlight and Rain)

But they are richly interesting tales, if you are into eastern culture.

## Ugetsu Monogatari Tales Moonlight Rain by Akinari Ueda

The choice of the Chrysanthemum Festival as the day on which the central characters will reunite defines their relationship. Unfortunately, the translator's introduction is long and gives the impression that one simply will not possibly be able to understand or enjoy the tales unless one is a scholar of Japanese history and literature - if that's not bad enough, the intro also contains spoilers! The readers of this book would not take it as true stories from the beginning. The author expressed his complex views on human life and society in simple yet poetic language.
