Paradise man

When a 50-person computer terminal sales force sells only 39 of the companys new line of smart microcomputers during a sales blitz in which sales of more than 500 units were forecast, is the problem with sales force management or with the strategy move to the smart machines. Additionally, the smart terminals category is expected to grow by over 500 during the 1980s.

Экономическая жизнь СССР : хроника событий и фактов 1917

A great book for kids who like silly poems and rhymes.
