Great Hymn to the Aten by Akhenaten ca. Budge wrote this book which lays out the information available about the development of the cult of Amun, the cult of Aten, and how the two interacted and competed from the time of Thutmose III to the time of Tutankhamen. And Elohim said moreover to Moses, Thus shalt thou say to the children of Israel, YHVH the Elohim of your fathers, the Elohim of Abraham, the Elohim of Isaac, and the Elohim of Jacob, hath sent me to You.

Tutankhamen: Title Page

The gods and goddesses hibernated 'in the hearts' of their adorants as objects of longing, mourning, and the injunction that circulated clandestinely : 'Beware of him! It was this singularity of divine mediation which lies at the root of Akhenaten's failure to establish a religion which would last longer than his reign. His Aten stood above and was against all deities. But the manifold of Divine expressions and presences are recognized known as a hierarchy of operational energies rooted in a transcendent Divine ineffable essence.

The removal of Horus and Shu preluded, in principle, the end of all worship in the land not dedicated to the Aten! It may even lead to insanity and heresy. The Aten first and foremost manifested as the life-giving light.
