Constitution

Polybius describes a tactical innovation of the Carthaginians during the Third Punic War, consisting of augmenting their few triremes with small vessels that carried hooks to attack the oars and fire to attack the hulls. Though it would retain some presence in Sicily, most of the island would remain in Greek and later Roman hands.

Constitution

These leaders would in turn provide their respective contingent of forces, sometimes even leading them in Carthaginian campaigns. As a result, the Roman Assembly, although reluctant to ally with a band of mercenaries, sent an expeditionary force to return control of Messana to the Mamertines.

Fountain Essays

Records indicate that different families held power at different times, suggesting a non-hereditary system of government dependent on the support or approval of the consultative body. At the height of its power before the First Punic War, Greek and Roman observers often wrote admiringly about Carthage's wealth, prosperity, and sophisticated republican government.

Constitution

Contemporaneous found in Christian in , bear inscriptions in , , and Punic, suggesting a fusion of the cultures under Roman rule.
