He's the one who revealed to her that everyone is infected, and that it takes brain damage to kill walkers. The Governor watches them for entertainment.

A Wish in the Dark

Milton was one of The Governor's right hand men and informed The Governor of his research and anything he has figured out about the zombies. It is unknown what happened to his relationship with Rowan when he started a relationship with Andrea but it may be possible it was nothing serious and just sex.

Order of Walking Dead Books

The Governor, despite not treating Gabe very well, has stated that he values his loyalty.

What is the name of the book that Governor William Bradford wrote telling of the troubles and experiences of the pilgrims?

The Governor demands Gabe tell him what happened to Michonne and he informs The Governor that he blew her brains out. It is commonly thought to have been loosely inspired by the real-life story of U. I would make it an article of belief that all cultures are equal.
