Washington did everything in its power to encourage and facilitate the army-led massacre of alleged PKI members, and U.

How We Ended the Cold War

As a secretive military research and development operation, ARPA was tasked with funding and otherwise overseeing the production of sensitive new technologies. The new ICBM force grew from 63 intercontinental ballistic missiles to 424. .

De Gruyter

The Defense Department reports that there currently are 40 wars raging that involve one-fourth of all nations in the world — from El Salvador to Kampuchea to Lebanon and Afghanistan. The breakdown of state control in a number of areas formerly ruled by communist governments produced new civil and ethnic conflicts, particularly in the former.

The Making of the Cold War Enemy: Culture and Politics in the Military

In Nineteen Eighty-Four there are three giant superstates or blocs of nations: Oceania run by the United States, and including the British Empire and Latin America, Eurasia the Eurasian continent, and Eastasia China, southeast Asia, much of the Pacific.

Cold War Religion by Thomas F. Farr

Coupled with obvious, false piety toward the contras and the junta in El Salvador, including tolerance of their outrageous human rights conduct, the policy significantly devalued the moral validity of anticommunism. Stalin also sought continued peace with Britain and the United States, hoping to focus on internal reconstruction and economic growth. His positive solutions to this problem were fitful and inconsistent; in *Partisan Review* he called wistfully for a Socialist United States of Western Europe as the only way out, but he clearly placed little hope in such a development.
