In 1924, they left China for John Buck's year of sabbatical and returned to the United States for a short time, during which Pearl Buck earned her degree from.

Missions

Deutschland bekam Kolonien im heutigen Namibia, Burundi, Ruanda, Tansania, einen Teil Nord-Mosambiks sowie Kamerun und Togo zugesprochen. I address, without technical terms or double talk, fascinating or polemical topics such as the Bible faced with History, the apocryphal literature or the Dead Sea Scrolls.

Ihre protestantischen Missionare predigten seit 1829 in immer mehr Missionsstationen und versuchten, die Afrikaner zum Christentum zu bekehren. I teach at the University of Strasbourg, where I am tenured Associate Professor, but also in other places such as the Catholic Institute of Paris or the Al-Mowafaqa Institute in Morocco.

In 1949, outraged that existing services considered Asian and children unadoptable, Buck co-founded Welcome House, Inc. Whether on TV, in the press, on the radio or on the Internet, I am happy to shed light on religious news, share the latest scientific discoveries, or debate the interpretation of the Bible. Den Wert seiner Aufzeichnungen als historisches Dokument schmälert das aber nicht.
