### COVID

There was a strong new advisory from the Biden Administration today Jan.

### Traveler's Checklist

The Department is not in a position to vouch for the information.

### Traveling Abroad to Places with Travel Warnings for Americans

These consequences can range from confiscation removal of your medicine, which could harm your medical treatment, to stiff penalties, including imprisonment on charges for drug trafficking. Any NFT submitted less than 2 weeks before departure will not be accepted by OIP. You can ask your pharmacist which company made your generic medication, but you'll have to do some research to figure out whether that company has ever had to recall products or has been found to have manufacturing issues.

### Alcohol, drugs and travel

Be sure to check with your hotel and see if they provide testing or if they might be able to get a doctor or practitioner to come to your hotel.

### CDC

These medicines may present health risks and FDA cannot ensure the safety of medicine from these sources.
