Policosanol: Cuban lipid crisis revisited

On this Saturday evening, the fate of the world is not in the hands of any head of state.

Cuban missile crisis revisited

It was a single-stage, road-transportable, surface-launched, storable liquid propellant fuelled missile that could deliver a nuclear weapon. My recollection is that in the event of war, we were to deploy to Baja, California. Unsourced material may be challenged and removed.

CHSS

Neustadt: In your mind, there was no legitimacy in this worry? And that is the other side of the same lesson.
