Henry James Literary Criticism

A rather annoying guest claims he knows all about pearls and that they are worth a lot of money. It was a form of prostitution — and was tolerated because it did not threaten the established order. The more complex second period falls into three parts.

Analysis of Henry James's Stories

Dewey, Joseph, and Brooke Horvath, eds.

Analysis of Henry James's Novels

But things do not go quite according to plan.

Analysis of Henry James's Stories

The artist friend is supposedly a good judge of models, but he is a second-rate painter. The loss of the woman casts a shadow over his daily devotions at his altar.
